no news is good news

Now I have Herman's Hermits "No Milk Today" stuck in my head but in the "No News Today" edition;).

No news today, it wasn't always so
The company was gay, we'd turn night into day

No news today, my love has gone away
The bottle stands forlorn, a symbol of the dawn
No milk today, it seems a common sight
But people passing by don't know the reason why
